FOR BOARDROOMS OR SIMILAR INSTALLATIONS

For Installations where appearance is a consideration, users can purchase the NB-PEC-W Cover with Standard Screws that fits directly to the top of the Equipment Enclosure.

OPTIONAL SECURITY PACKAGE

For Installations where Security is a concern, users can purchase the Pole Mount Enclosure with the Security Cover Kit NB-PESC-W that includes Tamper Proof Fittings making the entire unit and the installed equipment resistant to theft.

Unit shown with optional Security Cover

Good Design should never be limited by a lack of Innovative thinking. We strive to make Better Looking Products by paying attention to every detail that also contributes to making Installation Easier.

We therefore reserve the right to make Specification Changes and Improvements without notice
